PARENTS: There is an **ONLINE WAIVER** button on the web site. Please follow the directions, fill out a waiver for your scout, sign, and bring to the event on Saturday. You are strongly encouraged to go on line and **purchase your ticket(s), in advance, for the 11:30am “jump” session.**

Should a parent come? Yes, but they do not have to participate (they can if they want to)! They must stay for the duration while your scout is participating in this very physical activity.

Can my siblings, friends participate? Yes, but make sure one of your parents stays to help supervise
