The troop has not camped at this awesome site in many years! A great spot for a relaxing weekend of lake swimming and fishing. There is a special use area perfect for scout troop camping, horseshoes, washer games and who knows what else!

Approximate campground fees, per person is \$5-10 for the weekend. **Your Scoutmaster needs confirmation for your attendance as soon as possible (email response is fine),**

Scouts should “be prepared” for the activities they will be doing, the mid-summer weather conditions and think about what they need to pack, ie: camp gear, clothing and personal gear. Patrols will need to plan a menu, shop and pack the groceries.

Need an adult volunteer to take the troop trailer out and back (Thank you – in advance!)
