

TROOP 778

NOVEMBER 18 – SCOUTING FOR FOOD PICKUP

MEET AT STANTON **BEFORE** 10:00 AM

ALL SCOUTS MUST BE IN FULL UNIFORM

The Scout **Buddy System** will be in effect at all times.

Dress for the weather. Bring rain gear if required by the forecast. Gloves, hats and jackets are strongly recommended for cold weather.

Pack 778 and Pack 830's Webelos II will be assisting. Troop and Webelo scouts should knock on the door if the food bag is not visible. Politely ask if the occupants have a donation for Scouting for Food. When we deliver the collected food to the firehouse (845 Gregory Lane – same street that you use to go to Bud Weil park), we may be needed to sort and box food. Parents: picking up your scout after this event always seems to vary, depending on how much food is donated. Plan on at least 1pm or later. Your scout will be able to borrow an adult's phone to call you when they are done.

We may need parents to provide transportation on both days. Encourage your parents to participate.
